

REGULATOR

THE NEW REGULATOR 26XO
BUILT FOR NEW ADVENTURES

26xo

DIVE. DIP. FLIP. FISH. TUBE. SKI. CRUISE. Do it all. In any waters.

The new Regulator 26XO is a center console crossover built for adventures, giving you easy access to lakes, bays, and skinny waters, as well as the capability to head offshore when the time is right. Equipped with a Yamaha F300 with SeaStar Solutions hydraulic jackplate, the 26XO features more than 122 square feet of deck space, spacious seating for the whole family, generous storage, built-in coolers, flush-folding rear cockpit seats, and stand-up head compartment. The 26XO Seating & Tackle Center, Garmin 16 Fish Package, and Fiberglass T-Top with Integrated Wraparound Windshield come standard; plus, choose from adventure-inspired amenities including factory-installed Power Pole Blade for precise shallow water anchoring, removable watersports tow bar for tubing, skiing and boarding, and the versatile Minn Kota trolling motor with iPilot GPS to get the most out of your days on the water.
